Registration Policy:

The registration policy set by the Preschool Advisory Team at SBUMC is as follows:

February 1 st	Registration opens to church members.
March 1 st	Registration opens to existing students and siblings
March 2 nd	Open registration for community and those who applied in advance.
May	VPK forms turned in and Enrollment Forms provided, parent orientation scheduled.

Before your child may start school, these forms must be provided and current:

1. Current State of Florida Physical filled out front and back. The date of the physical must be recent enough to not expire before the end of the year.
2. Currant Shot record that shows all required shots for preschool admittance.
3. State of Florida Enrollment form filled out completely, (all sections must be filled out completely) Both places to sign on the back need to be signed and dated. *Will be provided at parent orientation.*

Your child's enrollment is not complete nor insured until the school has received these forms. They may be mailed to us as soon as you receive them and they will be checked off the list for you. We will have several parent orientations where you can turn in these forms. Orientations will be during the week before school starts. If you can't make parent orientation you will need to schedule a time to bring in your forms and get the parent handbook and additional forms to fill out. **If the school has not received these forms by the last parent orientation, your student will be transferred to the waiting list.**

An Open House for the children to come and meet their teacher will be scheduled for the Thursday night before school starts. This is a very important time. Please try to make this event.
